Re: The Community of Lost Canyon, Scottsdale, Arizona

Dear Sir or Madam:

Submitted for your review and subsequent approval is a package of materials related to the site lighting design for the Community of Lost Canyon. The package consists of a site lighting plan and a written description of existing and proposed site lighting. Photographs are included to provide visual information as required for clarity and understanding. A supplement package (included with the bound text) has also been created. The package illustrates previous work designed for the Goldwater Memorial Park in Paradise Valley and reflects design concepts similar to those utilized at Lost Canyon. They indicate the intended site lighting outcomes for the community.

Please contact me if you have any questions.

Respectfully,

Dr. Paul N. Grocoff
